

Chapter 18 Section 2 Study Guide
Japan: Early History
P. 393-397

Name: _____

Block: _____

Read Chapter 18 Section 2. Find evidence to support each of the generalizations given below.

1. Both myth and power have supported Japan's rulers since the 400s.
2. The Japanese are notable in the way they have borrowed from others cultures.
3. The Japanese have always been adept at blending the new and the old.

4. Feudalism was a highly structured class system.

5. In the 1600s, the shogun perceived the different ideas of foreigners as a threat to his control over Japan.
