

Travel Journal Requirements

You're going on an adventure! During this school year, you will be "visiting" a number of domestic and foreign cities, countries, and/or regions. During this journey, you will be creating a "Travel Journal" that will include the following:

- A passport, that includes personal information and a photograph
- A political and physical map of each region
- A travel dictionary, for a minimum of one country from each region, that includes a language guide of "need to know" terms to get you around your selected country
- A "Just the Facts" activity packet, for a minimum of one country from each region, that includes the country's flag, type of government, economic status, etc.
- A journal entry, written in sentence and paragraph form, describing what you found to be most interesting aspect of the visited city, country, and/or region (e.g., entries may include political, economic, culture, etc. aspects)
- Other teacher selected artifacts of your visit to these domestic and foreign cities, countries, and/or regions

Passports will be stamped upon completion of travel to each city, country, and/or region.
